JWSCH 2021 VUOKATTI - Covid 19 testing

PRACTICAL INFORMATION - PCR

- PCR test result at departure has to be documented. Bring a hard copy of that to LOC.
- Teams will stay at "quarantine like conditions" during the period from the airport to Vuokatti until PCR neg proof is ready. The result is confirmed in 24h.
- LOC informs teams about testing times and locations based on their arrival times.
- PCR at Vuokatti costs 200 € / test. Teams will get valid report of these.
- In case a positive PCR result, regional health authorities give instructions how to go further.
- PCR testing is possible until/including Friday morning **5th of Feb** to avoid extra transport costs of carrying samples to Helsinki during weekend.
- To confirm a positive Antigen test result, PCR test will be taken and analyzed in Kajaani, result in 12h.
- For those who need an additional PCR test before leaving, the latest date for testing is Fri 11th. Result in 24 h. The price is same 200 €. Booking beforehand.
